### 1 Emphasis

### 40 Digest

**COVER**—Sustaining the massive Desert Shield force over a 9,000-mile pipeline may overshadow the challenge of deploying that force. The articles beginning on pages 2 and 20 describe some of the logistics challenges that face logisticians in both the continental United States and Saudi Arabia.

**Mission:** *Army Logistician* (ISSN 0004-2528) is an official Department of the Army professional bulletin prepared bimonthly at the Army Logistics Management College, Fort Lee, Virginia, and published by Headquarters, U.S. Army Materiel Command, for the Department of the Army. Its mission is to publish information on Army and Defense logistics plans, programs, policies, operations, procedures, and doctrine that contributes to the professional development of military and civilian logistics personnel.

**Disclaimer:** Articles express views of the authors, not Department of Defense or any of its agencies, and do not change or supersede information presented in other official Army publications. Use of the masculine pronoun includes both genders when appropriate.
